emanate a sense of learning and knowledge. **Define** We had to drive on their core principle, making "Knowledge-

hut" synonymous with "Empowering Workforce". This

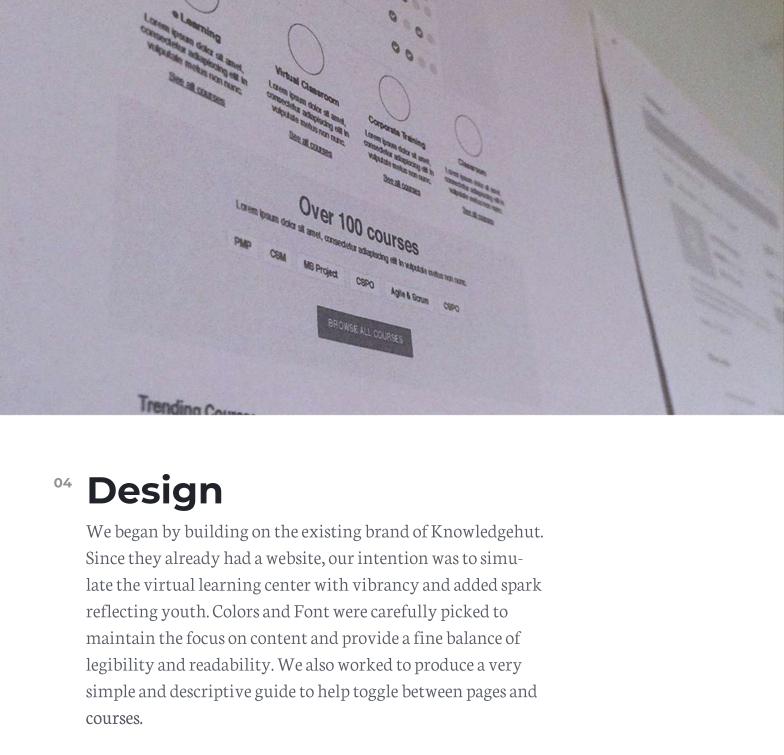

meant that it had to be defined as dynamic e-learning plat-

form where one can learn and also teach amidst a fast-paced

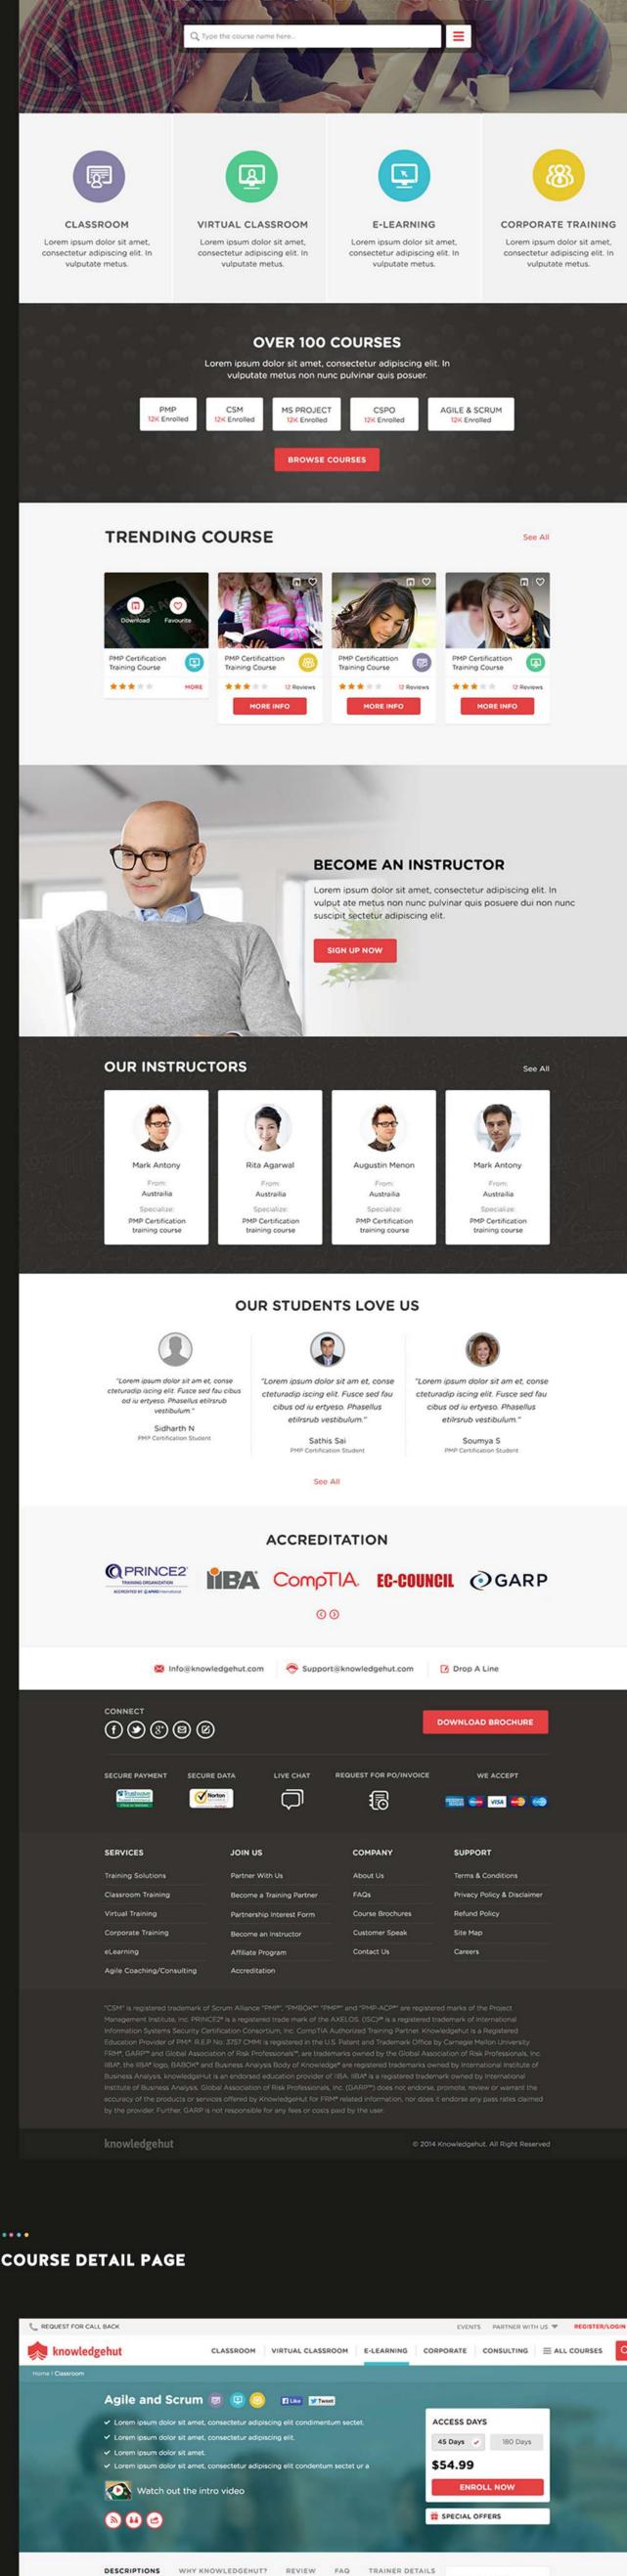

It's an E-Learning platform with 'Virtual Classrooms' and

'Training Programs'. Every module, every bit here required to

world of evolving technologies. With innumerous courses of different durations, our focus was to increase the accessibility through balanced grid and to reflect strong consistency in every page by defining all modules. Ready to master some skiller
